S Q K

Hotel may choose natural or synthetic fill for their pillows, their choice will depend on many factors, each property needs to make a decision based on their priorities.

Different ways natural pillows are built:

01

100% Duck or Goose Down

02

Down Feather Blend

03

100% Duck or Goose Feather

Goose down pillows are filled with the soft and fluffy clusters found beneath the bird's feathers, providing luxurious comfort and exceptional insulation. On the other hand, goose feather pillows contain the outer feathers of the goose, offering firmer support while retaining a degree of softness.

### Down Feather

Made entirely from natural materials, consisting of white duck down outer layer and white duck feathers center. Its unique chamber design provides an ideal balance of comfort and support.

- ✿ 100% Cotton shell
- ✿ Natural down and feather filling

S Q K

### Pillow Protector

Protect and preserve your pillows with protectors that encase your pillows to create a barrier for dirt, stains, and/or allergens.

- ✿ Cotton/Poly blend shell
- ✿ Zippered closure (Antimicrobial) and Envelope style (Not Antimicrobial)
